### **Testimonial for Mr. Rayyan of MGM Interiors**

We had a requirement for an extra storage space at our home and were struggling to come up with an appropriate design to accommodate our requirements.

Having spoken to Rayyan from MGM Interiors, he had deputed his best Project guys to understand the requirements, and provide necessary suggestions. Within 2 weeks, they had a complete design ready, covering every minute detail. Once approved, the job was completed with perfection and precision. I must say, the quality of materials used, and the technical know-how of their installation team, and deliverables, far exceeded our expectations.

*They truly delivered what they promised in a timely and professional manner.*

As they say, '**Home is where all the memories are created**', and team MGM stands tall to saying that '**Home is not a place.... It's a feeling**'

Thank you once again TEAM MGM. Wish you all the best and will refer you to all our families and friends.
