

To,

Mr. Rayyan Rahoof

MGM Interiors

We at AGX Auditing required an interior fit-out job to be done. The requirement was not very huge and all the quotations that we received were too expensive considering the volume of work. Every contractor who visited had almost the same options and costs for our requirements.

Rayyan Rahoof from MGM Interiors visited our office and when we explained, he gave us options that helped us save a lot of costs and the quote worked to be much cheaper compared to the earlier ones we received.

He sent a very efficient team and they did a fantastic job with the fit-out jobs and the outcome impressed all of us. They also made sure that they visited after office hours so that our work was not disrupted.

MGM Interiors were different from others and that impressed all of us at AGX Auditing.

Thanking you for the services you provided,

On behalf of AGX Auditing,

Thomas Kurian Pottenkulam.
